

ADMIRAL-SPACEMAKER, INC.

SPACEMAKER™ OUTDOOR FLOORING SYSTEM WITH SUPER SEAL TECHNOLOGY.

CERTIFIED INSTALLERS NOW ELIGIBLE TO RECEIVE COVERAGE UNDER

ADMIRAL'S TWO-YEAR LABOR LIMITED WARRANTY

Thank you for your interest in SpaceMaker Outdoor Flooring by Admiral. Making quality product is central to our success. It's the reason we are the fastest growing supplier of decking in the USA today.

Over the last decade or two, many manufacturers have come and gone as a result of their product failures. Many builders are rightfully wary. To help give our Certified Installers peace of mind, Admiral has introduced a TWO-YEAR LABOR LIMITED WARRANTY that will cover the expenses associated with replacing any defective product as defined in the three Admiral Warranties (Structural, Fade & Stain and Water-Tight).

In addition to backing our products and supporting our best customers, this Labor Limited Warranty is a powerful sales closing tool. Once you are eligible, you can use this Labor Limited Warranty to assure your prospective customers that their investment in SpaceMaker Outdoor Flooring is covered for BOTH product and re-installation labor costs in the event of a product failure as a result of a manufacturer's defect.

Please take a moment to review Admiral's program materials available on our website (www.Admiral-SpaceMaker.com) as downloads that include:

- Installation Guide,
- Registration, Training & Certification Program,
- Admiral's Four Warranties:
 - 25 Year Structural Limited Warranty,
 - 25 Year Fade & Stain Limited Warranty,
 - 10 Year Water-Tight Limited Warranty,
 - 2 Year Labor Limited Warranty.

Please also review below the:

- Benefits that the Labor Limited Warranty offers to you,

And

- The requirements to obtain coverage under the Labor Limited Warranty.

Give your business a competitive edge:

Give prospective clients another great reason to work with you!

Admiral now offers a two-year Labor Limited Warranty on SpaceMaker products.

By participating in this new program, you can now offer to YOUR customers Admiral's exclusive TWO-YEAR Labor Limited Warranty on SpaceMaker products.

This Labor Limited Warranty can help you:

- **Close more sales** – Homeowners trust builders who can offer added protection for their decking investments.
- **Build your business** – Not every contractor can offer this comprehensive coverage. Qualify, and you'll set your business apart from the competition.
- **Give your customers added peace of mind** – Homeowners will know that Admiral stands behind its products and also the Certified Installers like you who build their dreams.

Here's how the program works:

With this new coverage, if a SpaceMaker product fails to perform in accordance with its original warranty, Admiral will pay reasonable labor costs associated with replacement.

Admiral's Labor Limited Warranty protects your customers and reinforces your reputation as a qualified Certified Installer.

Here's how YOU can qualify to offer coverage:

1. Become a Certified Installer by following the steps in the online Registration, Training & Certification document.
2. Attend in-person installation training with an Admiral representative.
3. Have your first SpaceMaker project inspected by an Admiral representative.

Not a SpaceMaker Certified Installer Yet ? :

Become one today !

Attract more clients, share information and build a reputation for enviable results.

The program gives you access to tools and resources that can help your business grow and can help you:

- Access qualified leads we deliver right to your email,
- Highlight your projects on the Admiral-SpaceMaker website,
- Share completed projects with homeowners ready to buy,

PLUS.... AN ADDED **BONUS !**

Certified SpaceMaker Installers ALSO benefit right now by being eligible to obtain Installer Incentive funds on your first three installed decks.

(Note: this Installer Incentive Program is a limited time offer. See Website Download for details)
